Supply Trader

(Netherlands office)

Cockett Group, one of the world's largest value-added resellers of marine fuels and petroleum products and services has recently announced an exciting new opportunity for a Supply Trader to be based in our Netherlands office.

Job Purpose:

To support and report to Team Leader Supply on day-to-day business covering the group's needs within North European region. Additionally, actively participate and assist in the business development and growth in marine fuels reselling.

Responsibilities include:

- Negotiate with suppliers in order to provide quotations for spot bunker inquiries and to provide additional local market information to customer traders.
- Maintain and develop relationships with existing suppliers, agencies & surveyors.
- Proactively advise stakeholders of operational issues and claims immediately when they occur and assist in resolution under guidance of Team Leader Supply.
- Act as a key focal / liaison point for operational oversight and communication to ensure optimum delivery performance - on time, in full, on spec & correct documentation.
- Act as an interface cross-functional with Post-fixture/Technical/Credit/Compliance & Risk.

Skills/Qualifications:

- A minimum of 1-3 years' experience within logistics, transport or maritime industry is preferable.
- Written and verbal communication skills in English are essential.
- Team player mentality.
- Hands-on with a can-do and problem-solving attitude.
- Resilient and able to work under pressure.
- Detail oriented, structured, proactive and customer service focused
- Advanced proficiency in Excel required.

In return Cockett Group offers:

- Good remuneration and benefits package to be discussed upon interview
- International and challenging career
