Supply Trader

(Greece office)

Cockett Group, one of the world's largest value-added resellers of marine fuels and petroleum products has recently announced an exciting and challenging new opportunity for a Supply Trader position to be based in our Greece office.

Job Purpose:

To support and report to Supply Manager the day-to-day business covering the group's needs in the Mediterranean region. Additionally, actively participate and assist in the business development and growth in marine fuels reselling.

Responsibilities include:

- Closely monitor the supply operations to ensure smooth delivery, keeping the customer trader always informed.
- Negotiate with suppliers in order to provide quotations for spot bunkers inquiries and additional local market information to customer traders.
- Develop the relationship with existing suppliers and search for new ones.
- Cooperation with post-fixture team to solve any potential issues.
- Work closely with the claims department to assist/solve any potential disputes or claims.

Skills/Qualifications:

- A minimum of 3-5 years' experience in bunker trading, bunker operations or tanker operations in the shipping industry is required.
- Good knowledge of Mediterranean region and suppliers is a plus.
- Excellent negotiations and communications skills are important.
- Proactive mentality.
- Able to problem solve and think out of the box.
- Team Player with good attention to detail.
- Excellent written and verbal communication skills in English are essential.
- Additional language skills are advantageous but not essential.
- Ability to analyze market data in Excel and present findings.

In return Cockett Group offers:

- Good remuneration and benefits package to be discussed upon interview.
- A supportive environment for you to learn and develop.
- The opportunity to work in a global company, partnering with your colleagues around the world.
- For the right candidate, there will be opportunity to expand your knowledge and experience in the trading side.

All interested applicants please forward your CV with a short covering letter to:
